

# Contributor License Agreement for Bedework

Thank you for your interest in contributing to Bedework, an open-source, institutional calendar system for higher education. In order to clarify the intellectual property license granted with contributions of software from any person or entity (the "Contributor"), Rensselaer Polytechnic Institute, the Bedework project leaders and Bedework distributors, need to have a Contributor License Agreement on file that has been signed by the Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor of software to Bedework and does not change your right to use your own contributions for any other purpose. Please complete this Agreement and send a copy by USPS (postal mail) to:

**Bedework Calendar Team,  
Voorhees Computing Center  
Rensselaer Polytechnic Institute  
110 8th St.  
Troy, NY 12180-3590**

Please read this document carefully before signing and keep the original for your records.

## Terms and Conditions

You and Rensselaer Polytechnic Institute hereby accept and agree to the following terms and conditions:

1. Your "Contributions" means all of your past, present and future contributions of object code, source code and documentation to the Bedework Calendar, however submitted to the Bedework Calendar, excluding any submissions that are conspicuously marked or otherwise designated in writing by You as "Not a Contribution."
2. You hereby grant to Rensselaer Polytechnic Institute a non-exclusive, irrevocable, worldwide, no-charge, transferable copyright license to use, execute, prepare derivative works of, and distribute (internally and externally, in object code and, if included in your Contributions, source code form) your Contributions. Except for the rights granted to the Rensselaer Polytechnic Institute in this paragraph.
3. You reserve all right, title and interest in and to your Contributions.
4. You represent that you are legally entitled to grant the above license. If your employer(s) have rights to intellectual property that you create, you represent that you have received permission to make the Contributions on behalf of that employer, or that your employer has waived such rights for your Contributions to Bedework.
5. You represent that, except as disclosed in your Contribution submission(s), each of your Contributions is your original.
6. You represent that your Contribution submissions(s) included complete details of any license or other restriction (including, but not limited to, related patents and trademarks) associated with any part of your Contributions (including a copy of any applicable license agreement).
7. You agree to notify the Rensselaer Polytechnic Institute of any facts or circumstances of which you become aware that would make your representations in the Agreement inaccurate in any respect.
8. You are not expected to provide support for your Contributions, except to the extent you desire to provide support.
9. You may provide support for free, for a fee, or not at all.
10. Your Contributions are provided as-is, with all faults, defects and errors, and without any warranty of any kind (either express or implied) including, without limitation, any implied warranty of merchantability and fitness for a particular purpose and any warranty of non-infringement.
